### Ingredients

- 8 slices bacon thick chopped
- 4 eggs
- 1 onion chopped
- 0.5 cup parmesan grated
- 4 servings salt and pepper to taste

### Equipment

- bowl
- frying pan

## Directions

- In a small bowl, beat together the eggs and cheese; set aside.
- In a large skillet, fry the bacon and onion together until the meat is browned and crispy and the onion has begun to caramelize.
- Add the pasta (if using cold day-old pasta, cook until it's just warmed through, about 1 minute).
- Pour the egg-and-cheese mixture into the skillet and reduce heat to low. Stir continuously until the pasta is coated with the eggs and they have begun to solidify.
- Season with the salt and pepper, then serve immediately, with extra grated Parmesan on the side.
- This dish offers the perfect opportunity to use up leftover pasta. (PS: It also makes a fantastic breakfast.)
