SIDE DISH

Ingredients

- 10 cranberry-orange relish washed and scrubbed clean
- 1 cup sugar
- 3 servings juice of lemon
- 5 cups water cold filtered

Equipment

- bowl
- sieve
- potato masher

Directions

- Cut the oranges in half lengthwise and then slice them into thin 1/8-inch slices.
- Put them in a large flat-bottomed non-reactive bowl. Stir in the sugar. Use a potato masher to mash the orange slices until most of the segments are juiced.
- Pour water into the bowl of orange slices. Stir to mix gently, making sure that any undissolved sugar gets completely dissolved. Stir in the lemon juice.
- Strain: Set a large fine mesh strainer over another large bowl and strain the orange mixture through it, pressing if necessary to get out as much of the juice as possible.
- Pour into a serving pitcher.
