### Ingredients

- ☐ 10 ounce daikon radish peeled
- ☐ 0.8 teaspoon brown sugar light packed
- ☐ 1.5 teaspoons soya sauce reduced-sodium
- ☐ 3 tablespoons mirin sweet (Japanese rice wine)
- ☐ 2 tablespoons umeboshi plum paste
- ☐ 2.3 teaspoons umeboshi plum vinegar
- ☐ 1.5 tablespoons rice vinegar (not seasoned)

- ☐ 3 tablespoons shiso leaves green finely chopped ( 9)
- ☐ 0.8 pound shrimp peeled
- ☐ 4.5 tablespoons vegetable oil

## Equipment

- ☐ bowl
- ☐ whisk
- ☐ slotted spoon
- ☐ grill pan

## Directions

- ☐ Using slicer, cut daikon lengthwise into very thin slices (see cooks' note, below). Soak in a bowl of lightly salted cold water, chilled, 30 minutes.
- ☐ While daikon soaks, toss shrimp with oil and 1/8 teaspoon pepper.
- ☐ Heat grill pan over medium-high heat until hot, then cook shrimp, turning once, until just cooked through, 2 to 4 minutes total.
- ☐ Transfer to a plate.
- ☐ Whisk together mirin, vinegars, plum paste, soy sauce, and brown sugar in a medium bowl.
- ☐ Add oil in a slow stream, whisking. Stir in shiso leaves.
- ☐ Stir shrimp into dressing.
- ☐ Drain daikon well. Rinse and pat dry, then divide among 6 plates. Using a slotted spoon, top with shrimp.
- ☐ Serve drizzled with some of remaining dressing.
- ☐ • •Daikon comes in many shapes and sizes; you may have to cut or quarter your piece to get slices about 5 by 1 inch. It can be soaked up to 3 hours. • Shrimp can be cooked 30 minutes ahead and kept at room temperature. • Dressing, without shiso leaves, can be made 3 hours ahead and kept at room temperature. Stir in shiso leaves (and shrimp) just before serving.
