Ingredients

- 1 tsp caraway seeds
- 6 oz dairy-free spread organic pure (we used , in the US, try Earth Balance)
- 3 oz dairy-free chocolate dark
- 3 eggs
- 1 tsp gluten/wheat free baking powder (if you do not use self-raising flour)
- 6 oz gluten and wheat-free flour)
- 3 oz sultana raisins
- 4 oz castor sugar

Equipment

- oven
- hand mixer
- cake form
- skewers

Directions

- Heat the oven to 180C/350F/Gas mark 4. Beat the spread with the sugar and caraway seeds in an electric mixer until they are pale and creamy.
- Mix in the eggs, one by one with the flour. Break up the chocolate, if it is in a slab, into small chips – do not grate it if you want decent size lumps – and stir into the cake mix along with the sultanas. Turn into a well greased cake tin with a removable bottom and bake for 30 minutes or until a skewer comes out clean. Cool on a rack.
