SIDE DISH

## Ingredients

- 0.3 teaspoon pepper black as needed freshly ground plus more
- 0.3 teaspoon ground pepper
- 1 tablespoon apple cider vinegar
- 5 pounds collard greens ( 6 bunches)
- 4 medium garlic clove finely chopped
- 1 tablespoon granulated sugar
- 2 teaspoons kosher salt as needed plus more
- 2 cups chicken broth low-sodium

- 2 tablespoons olive oil
- 2 pounds turkey legs smoked
- 2 medium onion yellow

## Equipment

- pot
- slow cooker
- cutting board

## Directions

- Place the ham hocks or turkey drumsticks in a 3-quart or larger slow cooker; set aside. Using your hands, remove the collard leaves from the tough stems and discard the stems. Tear the leaves into bite-sized pieces, then wash and dry them; set aside.
- Heat the oil in a large, wide-bottomed pot over medium heat until shimmering.
- Add the onion and garlic, season with salt and pepper, and cook, stirring occasionally, until the onion has softened, about 5 minutes. Increase the heat to high, add the broth or stock, stir to combine, and bring to a boil. Stir in the greens a handful at a time, adding more as they wilt, until they're all in the pot. Turn off the heat and add 1 tablespoon of the vinegar, the sugar, measured salt, measured pepper, and cayenne and stir to combine.
- Transfer to the slow cooker. Cover and cook until the greens are very tender, about 4 to 5 hours on high or 5 to 6 hours on low.
- Remove the ham hocks or turkey drumsticks to a cutting board. When they're cool enough to handle, remove the meat from the bones (discard the skin and bones), shred it into bite-sized pieces, and stir it back into the greens.
- Add the remaining teaspoon of vinegar and stir to combine. Taste and season with salt and pepper as needed.
