DESSERT

Ingredients

- ☐ 1 cup granulated sugar
- ☐ 0.8 cup butter softened
- ☐ 1 teaspoon vanilla
- ☐ 2 eggs
- ☐ 2.5 cups flour all-purpose
- ☐ 1 teaspoon double-acting baking powder
- ☐ 1 teaspoon salt
- ☐ 3 cups powdered sugar

- ☐ 4 teaspoons plus light
- ☐ 0.3 cup water hot
- ☐ 0.5 teaspoon almond extract
- ☐ 0.1 teaspoon salt
- ☐ 1 serving powdered sugar white (decorating sugar)
- ☐ 1 cup powdered sugar
- ☐ 3 teaspoons water

Equipment

- ☐ bowl
- ☐ baking sheet
- ☐ oven
- ☐ wire rack
- ☐ cookie cutter

Directions

- ☐ In large bowl, mix granulated sugar, butter, vanilla and eggs until well blended. Stir in flour, baking powder and salt. Cover and refrigerate at least 1 hour but no longer than 24 hours.
- ☐ Heat oven to 400°F. On lightly floured surface, roll about one-third of dough 1/8 inch thick.
- ☐ Cut with 1 1/2 to 2-inch star-shaped cookie cutter.
- ☐ Place 1 inch apart on ungreased cookie sheet.
- ☐ Bake about 6 minutes or until light brown.
- ☐ Remove from cookie sheet to cooling rack. Cool completely, about 30 minutes. Repeat with remaining dough.
- ☐ In medium bowl, mix all glaze ingredients except coarse sugar crystals until smooth, glossy and pourable.
- ☐ Place cooled cookies together in pairs with about 1 teaspoon glaze, with points of top cookie between points of bottom cookie.
- ☐ Place cookies on cooling rack on cookie sheet to catch excess glaze.

- ☐ Pour 1 tablespoon glaze evenly over top and sides of each cookie, glazing only a few at time. When glaze is set but still soft, move cookies to another rack or waxed paper; sprinkle with sugar crystals. (Occasionally remove glaze from cookie sheet, and add a few drops of hot water as necessary to make glaze smooth and thin enough to pour; continue glazing.)
- ☐ In small bowl, mix frosting ingredients to make a frosting that can be easily drizzled or used in a decorating bag, yet holds its shape. Pipe snowflake designs on cookies.
- ☐ Let cookies dry completely before storing.
