Ingredients

- 4 servings bread-crumb topping toasted
- 1 teaspoon lemon zest fresh finely grated
- 0.3 cup olive oil extra-virgin
- 2 tablespoons parmesan freshly grated
- 0.5 pound ramps
- 1 pound pasta like spaghetti

Equipment

- ladle

- pot
- blender
- tongs
- colander
- cutting board

Directions

- Trim roots from ramps and slip off outer skin on bulbs if loose. Blanch ramps in a 6-quart pot of boiling salted water, 2 to 3 seconds, and transfer to a cutting board with tongs. Coarsely chop ramps and put in a blender with zest and oil.
- Add spaghetti to boiling water and cook a few minutes, then ladle out 1/2 cup pasta water and add to blender. Purée ramps until smooth and season with salt. Continue to cook spaghetti until al dente, then ladle out about 1 cup additional pasta water before draining spaghetti in a colander. Return pasta to pot with ramp purée and toss with parmesan over moderate heat 1 to 2 minutes, thinning sauce with a little pasta water as needed to coat pasta.
