- 2 pounds plum tomatoes ( 10)
- 0.8 pound potatoes - remove skin peeled cut into 1/2- to 3/4-inch cubes
- 1 teaspoon salt ( )
- 5 cups water

## Equipment

- bowl
- frying pan
- baking sheet
- ladle
- pot
- aluminum foil
- broiler
- spatula
- tongs

## Directions

- Preheat broiler. Line baking sheet with heavy-duty foil.

- Place tomatoes close together on prepared sheet. Broil close to heat source until blackened in spots, turning once with tongs, about 2 minutes per side.
- Transfer tomatoes to plate and cool.
- Place onion halves close together on same sheet. Broil until surfaces are charred, turning once with tongs, about 4 minutes per side. Set aside and cool.
- Heat cast-iron skillet over medium-high heat 2 minutes. Using tongs, place cinnamon strip, peppercorns, garlic cloves, and jalapeo chili in hot skillet, preferably cast iron. Toast until fragrant and charred, turning and stirring occasionally, about 2 minutes for cinnamon and peppercorns and 8 minutes for garlic and jalapeo.
- Transfer all to plate.
- Place tortilla halves in same hot skillet. Toast until browned in spots and crisp, pressing often with spatula, about 3 minutes per side.
- Transfer tortillas to plate; cool, then break into very small pieces.
- After the charred tomatoes have cooled, peel, halve crosswise, and spoon out the seeds.
- Cut away most of charred surface from broiled onions and then chop. Peel garlic cloves. Stem, quarter, seed and devein jalapeo chili.
- Place tomatoes, onions, garlic, jalapeo chili, and chipotle chilies in processor. Finely grind cinnamon, peppercorns, and toasted tortillas in spice mill or coffee grinder; add to processor. Blend soup base until smooth, about 5 minutes.
- Heat oil in heavy large pot over medium-high heat 2 minutes.
- Add soup base from processor, oregano, and cumin. Cook (sear) until base thickens enough to leave path when spoon is drawn through, stirring occasionally, about 10 minutes.
- Add 5 cups water, squash, potatoes, and 1 teaspoon salt; bring soup to boil. Reduce heat to medium, cover, and simmer until vegetables are almost tender, about 15 minutes.
- Add garbanzo beans with liquid, green beans, and corn. Cover; simmer until all vegetables are tender, about 5 minutes longer.
- Mix in cilantro; season with pepper and more salt, if desired.
- Toast tortillas directly over gas flame or electric burner until browned in spots but still soft, about 40 seconds per side. Wrap in foil; keep warm.
- Ladle soup into bowls.
- Serve with lime wedges and warm tortillas.

Chipotle chilies canned in a spicy tomato sauce, sometimes called adobo, are sold at Latin American markets, specialty foods stores and some supermarkets.
