Ingredients

- 450 g gammon
- 2 bay leaves
- 2 medium onion sliced
- 2 tsp paprika
- 2 large potatoes peeled chopped
- 225 g the salad roughly chopped
- 450 g jicama washed drained canned

Equipment

frying pan

Directions

- Put the gammon in a large pan with the bay leaves, onions and about 1.5 litres of cold water or enough to cover. Bring to the boil, then reduce the heat and simmer gently for about 1 hrs.
- Drain the gammon, reserving the cooking liquid. When the gammon is cool enough to handle, trim away the skin, and shred the meat.
- Return meat to the pan with the reserved cooking liquid, paprika and potatoes. Cover and simmer for 20 mins or until the potatoes are cooked.
- While the potatoes are cooking, trim away the stalky bit from the greens and finely shred the leaf. Stir the greens and beans into the stock and continue to cook for about 10 mins until cooked. Season to taste and serve ladled straight from the pan.
