[SIDE DISH](#)

Ingredients

- 1 cup celery chopped (from 3 ribs)
- 4 servings top for serving
- 0.5 cup olive oil extra virgin
- 1 teaspoon sage fresh minced
- 2 teaspoons thyme sprigs fresh minced
- 2 garlic clove minced
- 0.5 cup juice of lemon fresh
- 0.5 teaspoon pepper red hot

- 4 servings salt and pepper
- 1 pound squid rings cleaned
- 2 cups beans white drained and rinsed cooked (one 19-ounce can)

Equipment

- bowl
- pot
- colander

Directions

- In a large bowl, combine the beans, garlic, celery, thyme, sage, lemon juice, oil, and red pepper flakes. Season with salt and pepper. Stir gently until combined.
- Bring a large pot of salted water to a boil. While that warms up, cut the squid bodies into 1/4-inch thick rings, and halve the tentacles. When the water starts to boil, add the squid and cook until opaque, no more than one minute. Immediately drain the squid in a colander, and then toss the squid in the large bowl with the beans. Stir gently, and then set bowl aside for 30 minutes.
- Season the salad with salt and pepper to taste.
- Serve with the crusty bread.
