### Ingredients

- 2 servings sea salt to taste (such as Maldon)
- 0.5 cup cooking wine dry red
- 1 tablespoon herbs mixed minced (optional as garnish)
- 2 servings kosher salt and cracked pepper black as needed
- 2 servings oil for frying
- 2 tablespoon red wine vinegar
- 2 pound russet potatoes
- 1.5 pound fat-trimmed beef flank steak cut into 1 ¼-inch cubes (Portehouse or Rib Eye, preferably)

- 2 tablespoon butter unsalted divided ()

## Equipment

- bowl
- frying pan
- baking sheet
- paper towels
- sauce pan
- pot
- grill
- aluminum foil
- skewers
- deep fryer

## Directions

- Place a medium saucepan over medium heat and add 1 tablespoon butter and the shallots. Season with salt and pepper and cook until the shallots are softened, but not yet colored, about 3 minutes.
- Add the vinegar and cook, stirring occasionally, until it evaporates, then add the wine.
- Let the wine come to a boil then lower the heat and let the sauce reduce by about half.
- Remove the pan from the heat and stir in the remaining butter; set aside. Prep the potatoes: Scrub the potatoes, peel them if you like, then slice them lengthwise into slabs, 3/8 inch thick.
- Cut the slabs lengthwise into 3/8-inch batons.
- Place the steak cubes in a medium bowl; toss with a big pinch or two each salt and pepper. Thread the cubes divided evenly onto the 4 prepared skewers. Don't squeeze them together too tightly. Leave room for the edges to char. Set aside. Give the potatoes their first fry: Preheat the oil in a deep fryer (or tall, deep sided stock pot) to 325 degrees. Line a sheet pan with paper towels to absorb the oil from the cooked potatoes.
- Heat grill to high. Grill the meat on the skewers for 2 to 3 minutes per side until charred on the outside and cooked to medium-rare on the inside (or to your desired doneness). Move to a platter, cover loosely with foil and let the meat rest while you finish the frites. Give the

potatoes their second fry: Working with about half the potatoes at a time, fry in the 365 degree oil until golden brown and crisp, about 4 minutes.

- Drain them on a paper-towel lined baking sheet; toss with kosher salt. Gently reheat the sauce and place into a serving vessel.
- Serve the frites and steak together; sprinkle with sea salt and garnish with minced herbs (optional).
- Serve the sauce on the side for drizzling. Like this: Like Loading...
