DESSERT

Ingredients

- 100 g butter softened for the tin
- 8 tbsp maple syrup
- 3 small bananas and 1 over-ripe banana ripe
- 200 g muscovado sugar light
- 4 eggs
- 2 tsp seeds scraped from 2 vanilla pods
- 200 g self-raising flour
- 100 g ground almonds

- 1 tsp bicarbonate of soda
- 200 g pot greek yogurt

Equipment

- oven
- whisk
- cake form
- skewers

Directions

- Heat oven to 160C/140C fan/gas 3, butter a 20cm square cake tin and line the base with baking parchment.
- Pour in half the syrup, swirling to coat the bottom. Halve the 3 ripe bananas lengthways and lay, cut-side down, in the tin.
- Beat together the butter, sugar, eggs, vanilla paste and over-ripe banana with an electric whisk. Fold in the flour, ground almonds and bicarb of soda, then stir in the yogurt. Carefully spoon into the tin without dislodging the bananas.
- Bake for 45 mins–1 hr until a skewer poked in comes out with only moist crumbs. Poke all over with the skewer, about halfway into the cake, then pour over the remaining maple syrup.
- Let it soak in for a few mins, then carefully turn out of the tin upside-down, drizzling the banana-studded top with more syrup. Slice and serve warm.
