SIDE DISH

## Ingredients

- 1 teaspoon cornstarch
- 2 pounds eggplant trimmed cut into 1-inch cubes
- 2 tablespoons fish sauce
- 2 medium garlic clove finely chopped
- 2 teaspoons granulated sugar
- 1 medium bell pepper red cored seeded thinly sliced
- 2 tablespoons rice wine dry
- 2 tablespoons soya sauce

- 1 tablespoon tamarind paste
- 0.5 cup basil fresh
- 1 thai chile stemmed thinly sliced
- 3 tablespoons vegetable oil

## Equipment

- bowl
- frying pan
- whisk
- wok
- spatula

## Directions

- Heat a 14-inch flat-bottomed wok or large frying pan (do not use nonstick) over high heat until a bead of water dances when dropped in the pan, about 1 to 2 minutes.
- Drizzle 1 tablespoon of the oil around the perimeter of the pan and add half of the eggplant. Using a metal spatula, stir-fry until crisp-tender and charred in spots, about 2 minutes.
- Transfer to a large bowl. Repeat with another tablespoon of the oil and the remaining eggplant.
- Drizzle the last tablespoon of oil around the perimeter of the pan and add the bell pepper, garlic, and chile. Stir-fry until the peppers are crisp-tender, about 1 minute.
- Add the reserved eggplant and any accumulated juices and stir to combine.
- Whisk the reserved sauce to recombine and add it to the pan. Stir-fry until the sauce has thickened, is glossy, and coats the vegetables, about 1 minute.
- Remove the pan from the heat, add the basil leaves, and toss to combine.
- Serve immediately with rice.
