### Ingredients

- 2 cups club soda
- 8 cups ice cubes
- 2 large limes quartered
- 0.5 bunch mint leaves
- 1 cup rum white
- 7 strawberries quartered
- 1 cup sugar white

### Equipment

# Directions

- Pour 1/4 to 1/2 inch of sugar onto a small, shallow plate. Run one of the lime quarters around the rim of each cocktail glass, then dip the glasses into the sugar to rim; set aside.
- Squeeze all of the lime quarters into a sturdy glass pitcher. Toss the juiced limes into the pitcher along with the mint, strawberries, and 1 cup of sugar. Crush the fruits together with a muddler to release the juices from the strawberries and the oil from the mint leaves. Stir in the rum and club soda until the sugar has dissolved.
- Pour into the sugared glasses over ice cubes to serve.
