Ingredients

- 0.5 cup corn oil
- 1 large eggs lightly beaten
- 0.8 cup flour all-purpose
- 1.5 teaspoons garlic finely chopped
- 7 ounces kimchi packed very thinly sliced
- 1 teaspoon kosher salt
- 1 cup scallions thinly sliced (from 2 bunches)
- 1 tablespoons serrano chiles fresh chopped (including seeds; amount depends on heat of kimchi)

- 1 pound sweet potatoes

Equipment

- frying pan
- paper towels
- oven
- spatula

Directions

- Peel sweet potatoes and julienne using slicer (about 6 cups).
- Stir potato together with remaining ingredients except oil.
- Let mixture stand at room temperature until wilted and moist, about 5 minutes, then stir again.
- Heat 2 tablespoon oil in a 12-inch heavy skillet over medium-high heat until it shimmers. Filling a 1/3-cup measure halfway full with potato mixture for each pancake and working in batches of 5 or 6, tap out into oil, gently flattening pancakes with a spatula to about 1/4 inch thick. Cook until golden brown, 1 1/2 to 2 minutes. Flip, adding a little more oil if necessary, and cook until golden brown, 1 to 2 minutes more.
- Transfer to paper towels to drain.
- Add oil to skillet between batches as needed.
- Serve warm, with dipping sauce.
- Pancakes can be fried 2 weeks ahead, then cooled and frozen. Reheat unthawed pancakes in a 375°F oven.
