APPETIZER

Ingredients

- ☐ 0.3 cup apple cider vinegar
- ☐ 12 pounds ham boneless fully cooked at room temperature
- ☐ 0.5 cup honey
- ☐ 2 tablespoons thyme leaves chopped
- ☐ 3 tablespoons butter unsalted
- ☐ 1 teaspoon worcestershire sauce

Equipment

- ☐ sauce pan

- ☐ baking paper
- ☐ oven
- ☐ whisk
- ☐ roasting pan
- ☐ aluminum foil

Directions

- ☐ Melt butter with thyme and let stand until ready to use.
- ☐ Preheat oven to 350°F with rack in lower third.
- ☐ Peel off and discard any rind or skin from ham, leaving 1/4 inch of fat on ham. Score fat on top of ham in a crosshatch pattern without cutting into meat. Put ham on a rack in a large roasting pan. Cover ham with parchment paper, then cover roasting pan with foil.
- ☐ Bake 1 3/4 hours.
- ☐ Meanwhile, boil vinegar in a small saucepan until reduced to about 1 tablespoon.
- ☐ Remove from heat and whisk in honey, Worcestershire sauce, and thyme butter.
- ☐ Let honey glaze stand until ham has baked 1 3/4 hours.
- ☐ Discard foil and parchment from ham. If there is no liquid in roasting pan, add 1 cup water (liquid will prevent glaze from burning in pan).
- ☐ Brush ham with half of honey glaze, then bake, uncovered, 30 minutes.
- ☐ Brush with remaining glaze and bake until glaze is deep golden-brown and ham is heated through, about 30 minutes more.
