## Ingredients

- 1 pound ahi tuna steak cut into 1-inch squares
- 2 tablespoons balsamic vinegar
- 0.3 teaspoon dijon mustard
- 2 teaspoons chives fresh thinly sliced
- 4 teaspoons juice of lemon fresh
- 8 tablespoons olive oil extra virgin extra-virgin divided
- 4 servings sea salt fine

1 teaspoon shallots minced

## Equipment

- bowl
- whisk
- plastic wrap

## Directions

- Combine vinegar and mustard in small bowl; whisk in 4 tablespoons olive oil. Season dressing to taste with sea salt and pepper. DO AHEAD: Can be made 1 day ahead. Cover; chill.
- Place 1 sheet of plastic wrap on damp work surface (to prevent plastic from slipping). Arrange 1/4 of tuna squares 1 inch apart in circle on plastic. Cover with second sheet of plastic. Using flat side of mallet, gently pound tuna squares until they are very thin and form an 8- to 9-inch solid round.
- Place tuna round, still in plastic, on plate. Form 3 more rounds with remaining tuna. Refrigerate tuna carpaccio at least 30 minutes and up to 4 hours.
- Peel 1 plastic sheet from each tuna carpaccio round; invert onto plates and peel off remaining plastic.
- Brush each with 1 tablespoon olive oil, then sprinkle with lemon juice, chives, shallot, sea salt, and pepper. Toss watercress and 2 tablespoons dressing in medium bowl; season to taste with sea salt and pepper. Mound watercress atop and serve.
