## Ingredients

- 1 cup elbow macaroni uncooked
- 1 teaspoon salt
- 1 quart water
- 0.5 cup green onion chopped
- 1 cup bell pepper red yellow chopped
- 0.3 cup parsley fresh chopped
- 10 ounce tuna packed in olive oil (if it's packed in water, drain and add 2 to 3 tablespoons of extra virgin olive oil) canned
- 1 cup celery chopped

- 2 tablespoons juice of lemon
- 0.3 first and into 2 inch long strips sliced roughly chopped
- 0.3 cup mayonnaise to taste (more )
- 0.5 teaspoon hungarian paprika sweet
- 4 servings ground pepper fresh

## Equipment

- bowl
- sauce pan

## Directions

- Cook the macaroni: In a saucepan, add 1 cup of elbow macaroni to 1 quart of boiling water with an added teaspoon of salt. Cook at a rolling boil uncovered for about 10 minutes until the macaroni is just a little more cooked than al dente.
- Remove from heat, drain, and rinse with cold water.
- Prep the salad ingredients: While the macaroni is cooking, assemble the other ingredients. In a large bowl mix the green onion, bell peppers, parsley, tuna, celery and lemon.
- Add the cooked and drained macaroni. Fold in the mayonnaise until well mixed.
- Add the paprika.
- Add fresh ground pepper to taste. (At this point you can make ahead and chill.)
- Serve: Fold in the lettuce gently and serve. The salad does not make good leftovers as the lettuce will eventually get soggy.
