## Ingredients

- 2 cans tuna (5 to 6 ounce cans)
- 2 teaspoons dijon mustard
- 0.5 cup bread torn into pieces white
- 1 teaspoon lemon zest
- 1 tablespoon juice of lemon
- 1 tablespoon water canned (or liquid from the cans of tuna)
- 2 tablespoons parsley fresh chopped
- 2 tablespoons chives fresh chopped

- 4 servings salt and pepper black freshly ground
- 4 servings squirts of crystal hot sauce
- 1 eggs raw
- 2 tablespoons olive oil extra virgin
- 0.5 teaspoon butter

## Equipment

- bowl
- frying pan
- wax paper

## Directions

- Drain tuna:
- Drain the liquid from the tuna cans. If you are using tuna packed in water, reserve a tablespoon of the tuna water, and add a teaspoon of olive oil to the tuna mixture in the next step.
- Mix tuna with mustard, bread, zest, lemon juice, water, parsley, chives, hot sauce, salt, pepper, egg: In a medium bowl, mix together the tuna, mustard, torn white bread, lemon zest, lemon juice, water, parsley, chives, and hot sauce.
- Sprinkle on salt and freshly ground black pepper. Taste the mixture before adding the egg to see if it needs more seasoning to your taste.
- Mix in the egg.
- Form into patties, chill: Divide the mixture into 4 parts. With each part, form into a ball and then flatten into a patty.
- Place onto a wax paper lined tray and chill for an hour. (You can skip the chilling if you want, chilling just helps the patties stay together when you cook them.)
- Heat the olive oil and a little butter (for taste) in a cast iron or stick-free skillet on medium high. Gently place the patties in the pan, and cook until nicely browned, 3-4 minutes on each side.
- Serve with wedges of lemon. You can also serve with tartar sauce on slider buns for a tuna burger.
