DESSERT

Ingredients

- 1 box cake mix white
- 0.5 teaspoon almond extract
- 16 oz vanilla frosting
- 1 serving purple gel food coloring blue
- 0.3 cup sprinkles blue
- 2 oz candy coating disks chopped (almond bark)

Equipment

- bowl

- oven
- toothpicks
- ziploc bags
- microwave

Directions

- Heat oven to 350°F (325°F for dark or nonstick pans). Make, bake and cool cake mix as directed on box for 24 cupcakes, adding almond extract with the water.
- Meanwhile, on sheet of paper, draw five-pointed star (about 2 inches wide) to use as pattern.
- In small bowl, place half of frosting. Dip toothpick into paste food color; stir food color into frosting in bowl until color is evenly distributed and desired shade. Frost 12 cupcakes with blue frosting. Frost remaining 12 cupcakes with white frosting; sprinkle blue candy sprinkles over white cupcakes.
- In small microwavable bowl, place candy coating. Microwave uncovered on High 30 seconds; stir until melted and smooth. If necessary, microwave 10 seconds longer.
- Place in heavy-duty food storage plastic bag; seal bag and cut tiny hole in one bottom corner of bag.
- Place paper star pattern under large sheet of waxed paper. Squeezing bag of candy coating, trace the star on waxed paper; move pattern under waxed paper to make 12 stars.
- Let stars cool until set, about 5 minutes.
- Remove stars from waxed paper; insert 1 star in each of 12 cupcakes. Store loosely covered.
