SNACK

Ingredients

- 0.5 tablespoon apple cider vinegar
- 0.5 tablespoon coconut aminos gluten-free
- 0.5 teaspoon ginger fresh grated
- 1 cloves garlic minced pressed
- 1 tablespoon peanut butter
- 0.5 bell pepper shredded red julienned
- 0.5 teaspoon sesame oil toasted (see note in nutrition data below.)

- 0.5 teaspoon bell pepper red to taste
- 0.5 tablespoon water
- 16 ounces zucchini

Equipment

- bowl
- whisk

Directions

- Place the zucchini noodles in the bowl along with the red bell pepper. In a small bowl, whisk the peanut butter with 1/2 tablespoon of water and all remaining ingredients. If the mixture is hard to combine, add up to another 1/2 tablespoon of water, but be careful not to make the sauce too runny.
- Remove the towels from under the zucchini noodles.
- Add the sauce and stir well to coat the noodles completely.
- Serve right away. (Leftovers can be refrigerated, but water from the zucchini may seep into the sauce, making it pool in the bottom of the bowl; stir well before serving.)
